

BOWL FOR THE CURE

Susan G. Koman

On November 19, 2010, the Ball and Chain League (established in the 1960's) held a Bowl for the Cure fundraiser for the Susan G. Komen Bowl for the Cure at the Joint Base Pearl Harbor Hickam Bowling Center. Throughout the night, various teams and/or person made a donation to the cause. It started out as a single donation from one person, which escalated to teams donating and trying to out bid each other. As the night progressed and the league finished, people were still making personal donations to the cause.

This league is a mixed league consisting of 2 women and 2 men per team. We have a total of 104 players (26 teams) raising a total of \$617.00.

I would like to applaud all of the cancer survivors and thank all of the bowlers in this league in helping me make our first Bowl for the Cure a great success. This is one of many more to come.

President of the League

Ernest "Pie" Brooks
